Stage direction

Technical Rider

Caveat:

If one or more information from the rider can not be met or something is unclear, just get in touch. We already find a solution !!!

The band travels usually without sound engineer (but can be brought).

Backlinesharing with other bands is only possible by prior arrangement.
Please clarify at least 2 days before the event.

Technical Rider:

FOH:

at least 24-channel mixer

PA:

The system should be dimensioned according to the premises.

Monitor:

Ideal are 5 ways including drumfill from the FOH or a sep. Monitor console, distributed on 4 monitors and a drumfill.

Currently we play in the following cast:

- **Drums (2 x Overhead, HiHat, Bassdrum, Snare, Tom, Floortom)**
- **Guitar (2 x Amps + Acoustikguitar)**
- **Bass per Di zum Mixer**
- **Bluesharp with own Gitarrenamp**
- **Keyboards (stereo to mixer)**
- **1 x Lead Vocals**
- **4 x Backing Vocals**

Notes:
